SECTION 1 – INTRODUCTION

The City of Buffalo, through its Department of Parking, has issued this Request for Proposals (“RFP”) seeking a professional consultant to provide a parking study that analyzes the existing parking infrastructure within the Elmwood Village neighborhood and proposes solutions to address the parking needs of the community.

Located in an area considered by many to be the heart and cultural soul of the City of Buffalo, Elmwood Village is a rich and diverse neighborhood. With the Albright-Knox Art Gallery and Bidwell Park, a part of the Frederick Law Olmsted’s Park system, to its north and historic Allentown to its south, Elmwood Village is filled with the historic architecture, a vibrant artistic community, boasts one of the City’s oldest neighborhoods, and possesses a culturally and ethnically diverse citizenry of residents, commercial businesses and visitors alike.

In recent years, the Elmwood Village has become a popular residential area and has become one of the City’s busiest commercial districts. The neighborhood features an eclectic mixture of small local shops, coffeehouses, restaurants, bars, and art galleries. Elmwood Village is also comprised of residential neighborhoods that contain a mixture of historic single-family homes and multi-unit dwellings. The appeal of the Elmwood Village’s distinctive residential neighborhoods and thriving commercial district has created an increased need for parking in the area.

SECTION 2 – SCOPE OF PROPOSAL

The City intends to award a contract to the Offeror with proven experience in conducting and drafting parking studies and whose proposal is deemed to be in the best interest of the City.

The City, in collaboration with the Elmwood Village Association, is desirous of a parking study of the Elmwood Village neighborhood that addresses the following parking issues and concerns:

1. Traffic
   a. A study of the demand for on-street and off-street parking in the Elmwood Village, including how parking supply is affected by alternate side and bus route parking rules;
   b. Develop a set of recommendations to address loading/unloading deliveries to area businesses that will make the best use of on-street space while eliminating traffic problems caused by delivery vehicles;
   c. Develop a set of recommendations for maximizing on-street parking supply while keeping streets clear for City services;
   d. Address ways to make available sufficient parking for residents who don’t have a designated parking space;

2. Municipal Owned Parking Lots and Meters
   a. Address ways that the City can maximize turnover and revenue at metered spaces on Elmwood Avenue and surrounding municipal lots;
b. Develop a set of recommendations for maximizing the use of off-street municipal lots to address parking needs;
c. Develop recommendations for the appropriate price (or varied prices) for metered parking on Elmwood Avenue and in municipal lots;
d. Develop a set of recommendations for maximizing the use of available public and private off-street lots after business hours to address parking needs;
e. Address ways that the City can simplify hours, pricing, and signage to avoid customer confusion;
f. Suggest technology or other innovative improvements that can assist with improving customer parking information and usage in the Elmwood Village;

3. Future Outlook
   a. Evaluate the feasibility of a Parking Benefits District, including a pricing model, projected revenues and delineate how revenues are collected, held, bonded and allocated within a defined geographic area;
   b. Study should take into account future parking needs, especially in light of the proposed and future infill development and the elimination of minimum parking standards for future development

A. Geographic Parameters

The geographical scope of the parking study, including any recommendations, should focus on the Elmwood Village commercial strip boundaries from the intersection of Elmwood Avenue and Forest Avenue to the north, through to and including Elmwood Avenue and Allen Street to the south. The study must also take into consideration the residential area surrounding the commercial strip. This larger area is defined by Forest Avenue to the north and Allen Street to the south, then by Delaware Avenue to the east and Richmond Avenue to the west. A map of the subject area has been attached hereto as Exhibit A for your reference.

B. Deliverables

The study must contain the requisite information described in this section.
   a. An analysis of current parking availability and needs within the Elmwood Village.
   b. A set of recommendations addressing each of the issues described herein. The City will review with and seek input from the Elmwood Village Association prior to implementing such recommendations.
   c. A model that analyzes the potential revenue and expense scenario that could result if the City adopted any of the proposed recommendations.
   d. Any other information that the City and/or Offeror identifies during the course of the parking study as relevant to fulfilling the City’s objectives.

Each Offeror is responsible for conducting its own investigations and any examinations necessary to ascertain conditions and requirements affecting the requirements of this RFP. Failure to perform such investigations and examinations shall not relieve the Offeror from its obligation to comply, in every detail, with all of the provisions and requirements contained in the RFP.

Questions regarding the RFP shall be directed to the City’s designee only. Any impermissible contact with any other City officer or employee regarding the RFP during the procurement period shall result in the rejection of any such Offeror’s proposal. The City accepts no responsibility for, and each Offeror agrees not to rely upon, any verbal or written statements or representations from any other person, whether or not employed by the City.

The City may, in its sole discretion, also elect to provide both the question(s) and the written answer(s) to all known Offerors via e-mail. Offerors are solely responsible for ensuring that the City has accurate contact information, including an e-mail address for the receipt of such correspondence. The City does not assume any responsibility for undelivered e-mails or for the receipt of any communication sent to any Offeror.

The City reserves the right, in its sole discretion, to amend this RFP at any time prior to the deadline for submission of the proposals. In the event that it becomes necessary to revise or expand upon any part of this RFP, all addendums, amendments, and interpretations to this RFP will be made in writing and posted on the City’s website at (www.city-buffalo.com). All addendums shall be incorporated as part of the RFP documents as though they were originally set forth. The City does not assume any responsibility for the receipt of any addendum sent to any Offeror.
Any information supplied by the City relative to this RFP must be considered in preparing proposals. All other contacts that a Offeror may have had before or after receipt of this RFP with any individuals, employees, subcontractors, consultants or representatives of the City and any information that may have been read in any news media or seen or heard in any communication facility regarding this RFP should be disregarded in preparing responses.

The proposal shall also contain a statement that the proposal, including all proposed prices contained therein, shall remain firm and irrevocable for a period of sixty (60) days following the City’s receipt of such proposal and through the award of the contract.

In the event that an Offeror cannot comply with any term, condition, or requirement of this RFP, such non-compliance must be clearly noted on the Offeror’s letterhead and submitted with the proposal. Offerors are cautioned that such non-compliance may result in disqualification of their proposal, at the sole discretion of the City. No allowance will be made for un-noted non-compliance of any kind by the Offeror.

5.2 Basis of Selection

The process for selecting a winning proposal for this RFP will be an open and fair solicitation process. While total costs will be considered in the award of this RFP, it is not the only factor to be considered. necessarily be selected. The City intends to award a contract to the Offeror(s) whose proposal it deems to be in the best interests of the taxpayers. The City is under no obligation to award any contract in whole or in part, and it reserves the right in its sole discretion to cancel this RFP at any time before or after closing, without providing reasons for such cancellation. If only one proposal is received, the City reserves the right to reject it.

All proposals will be evaluated upon, but not limited to, the proposed product, service, delivery capabilities and the following criteria:

Furthermore, the whole, or so much of the money to become due under the contract as shall be considered necessary by the City, may be retained by it until all suits or claims for damages shall have been settled or otherwise disposed of, and evidence to that effect furnished to the satisfaction of the City.

SECTION 8 - INSURANCE COVERAGE REQUIREMENTS

The City of Buffalo requires insurance coverage as listed below for this service. Note: The term “Vendor” shall also include the successful Offeror(s), their respective agents, representatives, employees or subcontractors; and the term “City of Buffalo” (hereinafter called the “City”) shall include their respective officers, agents, officials, employees, volunteers, boards and commissions. The insurance required shall be written for not less than the scope and limits of insurance specified hereunder, or required by applicable federal, state and/or municipal law, regulation or requirement, whichever coverage requirement is greater. The premium shall be paid for solely by the Vendor. Deductibles and Self-Insured Retentions: Any deductible or self-insured retentions must be declared to and approved by the City. ### SECTION 9 – GENERAL REQUIREMENTS

9.1 **Non-Discrimination**

The successful Offeror(s) shall not discriminate against any employee or applicant for employment because of race, color, creed, religion, ancestry, sex, national origin, affection preference, disability, age, marital status or status with regard to public assistance or as a disabled veteran or veteran of the Vietnam era. Such prohibition against discrimination shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeship.

The successful Offeror(s) shall agree to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the City, setting forth this nondiscrimination clause. In addition, the Offeror(s) shall, in all solicitations or advertisements for employees placed by or on behalf of the Offeror(s), state that all qualified applicants will receive consideration for employment without regard to race, creed, religion, ancestry, sex, national origin, affectional preference, disability, age, marital status or status with regard to public assistance or status as disabled veteran or veteran of the Vietnam era, and comply in all other aspects with the requirements the Buffalo City Code and Ordinances.

9.2 **Americans with Disabilities Act Compliance Provisions**

Any Offeror(s) awarded a contract pursuant to the RFP are required to abide by the regulations of the Americans with Disabilities Act of 1990 (ADA) which prohibits
discrimination against individuals with disabilities. The contractor will not discriminate against any employee or applicant for employment because of their disability and will take affirmative action to ensure that all employment practices are free from such discrimination. Such employment practices include but are not limited to the following: hiring, promotion, demotion, transfer, recruitment or recruitment advertising, layoff, discharge, compensation and fringe benefits, classification, referral and training. The ADA also requires vendors associated with the City of Buffalo to provide qualified applicants and employees with disabilities with reasonable accommodation that does not impose undue hardship. Offeror(s) also agree to post in a conspicuous place, accessible to employees and applicants, notices of their policy on non-discrimination.

In the event of the contractor's noncompliance with the non-discrimination clauses of this contract, this contract may be canceled, terminated, or suspended, in whole or in part, and the contractor may be declared ineligible by the Buffalo Common Council from any further participation in City contracts in addition to other remedies as provided by law.

9.3 General Compliance

The successful Offeror(s) agrees to comply with all applicable Federal, State and local laws and regulations governing funds provided under this contract.

9.4 Performance Monitoring

The City will monitor the performance of the successful Offeror(s) against goals and performance standards required herein. Substandard performance as determined by the City will constitute non-compliance with this agreement. If action to correct such substandard performance is not taken by the Offeror within a reasonable period of time after being notified by the City, contract termination procedures will be initiated. All work submitted by Offeror shall be subject to the approval and acceptance by the City or designated herein. The City or person designated herein shall review each portion of the work when certified as complete and submitted by the Offeror and shall inform the Offeror of any apparent deficiencies, defects, or incomplete work, at any stage of the project.

9.5 Independent Contractor

Nothing contained in this agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The successful Offeror(s) shall at all times remain an independent contractor with respect to the services to be performed under the contract. Any and all employees of Offeror(s) or other persons engaged in the performance of any work or services required by Offeror under the contract shall be considered employees or sub-vendors of the Offeror only and not of the City; and any and all claims that might arise, including Worker's Compensation claims under the Worker's Compensation Act of the State of New York or any other state, on behalf of said employees or other persons while so engaged in any of the work or services to be rendered herein, shall be the sole obligation and responsibility of Offeror.
9.6 Accounting Standards

The successful Offeror(s) agrees to maintain the necessary source documentation and
enforce sufficient internal controls as dictated by generally accepted accounting practices to
properly account for expenses incurred under the contract.

9.7 Retention of Records

The successful Offeror(s) shall retain all records pertinent to expenditures incurred under
the contract for a period of three years after the resolution of all audit findings. Records for non-
expendable property acquired with funds under the contract shall be retained for three years after
final disposition of such property.

9.8 Inspection of Records

All records with respect to any matters covered by the contract shall be made available to
the City or its designees at any time during normal business hours, as often as the City deems
necessary, to audit, examine, and make excerpts or transcripts of all relevant data.

9.9 Living Wage Policy

The Buffalo Living Wage ordinance applies to City contracts for services of more than
$50,000 value when the City contracts with a contractor employing more than ten people. The
attached City of Buffalo Living Wage Commission Application For Contract with the City of
Buffalo must be completed and accompany your response to this Request for Proposals.

9.10 Applicable Law

The laws of the State of New York shall govern all interpretations of this contract, and
the appropriate venue and jurisdiction for any litigation which may arise hereunder will be in
those courts located within the County of Erie, State of New York, regardless of the place of
business, residence or incorporation of the Offeror. Each party agrees that all claims and matters
shall be heard and determined in any such court and each party waives any right to object to such
filing on venue, forum non-convenient or similar grounds.

9.11 Conflict and Priority

In the event that a conflict is found between provisions in any contract arising from this
Request for Proposals, the successful Offeror’s Proposal or the City’s Request for Proposals, the
provisions in the following rank order shall take precedence: 1) Contract; 2) Request for
Proposals; and 3) Offeror’s Proposal.
9.12 Ownership of Materials

All finished or unfinished documents, data, studies, surveys, maps, models, photographs, reports or other materials resulting from any contract arising from this RFP shall constitute the property of the City. The City may use, extend, or enlarge any document produced under the contract without the consent, permission of, or further compensation to the Offeror.

9.13 Termination

The City shall have the unilateral right to terminate any contract awarded hereunder, without cause, upon thirty (30) days written notice to the Offeror.

If termination shall be without cause, the City shall pay contractor all compensation earned to the date of termination. If the termination shall be for breach of this contract by the successful Offeror(s), the City shall pay all compensation earned prior to the date of termination minus any damages and costs incurred by the City as a result of the breach.

Notwithstanding the above, the Offeror shall not be relieved of liability to the City for damages sustained by the City as a result of any breach of the contract by the Offeror. The City may, in such event, withhold payments due to the Offeror for the purpose of set-off until such time as the exact amount of damages due to the City is determined. The rights or remedies provided for herein shall not limit the City, in case of any default by the Offeror, from asserting any other right or remedy allowed by law, equity, or by statute.

9.14 Prime Contractor Responsibility

All sub-contractors will be subject to prior approval by the City. Prior to contract execution, the successful Offeror(s) will be required to furnish the corporate or company name and the names of the officers and principals of all sub-contractors. Notwithstanding any such approval by the City, the successful Offeror(s) shall itself be solely responsible for the performance of all work set forth in any contract resulting from the RFP and for compliance with the price and other terms provided in the contract. The successful Offeror(s) shall cause the appropriate provisions of its proposal and the contract to be inserted in all subcontracts.

The City’s consent to or prior approval of any subcontract or subcontractor proposed by an Offeror shall not create or purport to create any obligation of the City to any such subcontractor, or any form of contractual relationship or relationship of privity between the City and the subcontractor. Any Offeror who obtains such approval or consent of the City shall be required to insert a clause so providing in all subcontracts.

9.15 Disclaimer

This RFP and the process it describes are proprietary to the City and are for the sole and exclusive benefit of the City. This RFP is not binding on the City. No other party, including any Offeror to this RFP or further Offerors to any RFP that may be issued by the City, is intended to be granted any rights hereunder. Any response to this RFP, including written documents and
verbal communication, with the exception of materials marked as trade secrets or confidential, may be subject to public disclosure by the City, or any authorized agent of the City. Any materials submitted or ideas elicited in response to this RFP shall be the sole and absolute property of the City with the City having title thereto and unrestricted use thereof.

9.16 Publicity

All publicity (including, but not limited to, news releases, news conferences, and commercial advertising) relating to this RFP and/or the services or products sought by this RFP and/or any contract awarded pursuant to this RFP shall require the prior written approval of the City.

9.17 Offerors Restricted

No proposal shall be accepted from or contract awarded to any City employee or official, or any firm in which a City employee or official has a direct or indirect financial interest. No Offeror may be the prime contractor or prime Offeror for more than one proposal submitted pursuant to this RFP. Entities that are legally related to each other or to a common entity may not submit separate proposals as prime contractors or prime Offerors. Any proposal may be rejected that, in the City’s sole judgment, does not comply with these conditions. Nothing contained in this RFP is intended to preclude a proposal by a system integrator that proposes to perform the substantive work proposed through sub-contractors.

9.18 New York State Executory Clause

Any contract(s) arising from this RFP shall be deemed executory only to the extent of monies appropriated and available for the purpose of the contract, and no liability on account thereof shall be incurred by the City beyond the amount of such monies. Neither the full faith and credit nor the taxing powers of the City of Buffalo are pledged to the payment of any amount due or to become due under such contract. It is understood that neither this contract nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make monies available for the purpose of the contract.

9.19 Copyright and Patent Rights

The successful Offeror(s) warrants that there are no existing claims of violation and Offeror has no knowledge of any potential claims of violation of copyrights or patent rights in products being offered in their proposal as of the date of proposal submission. Offeror(s) shall indemnify and defend the City of Buffalo in any claim or action brought against the City of Buffalo based upon a claim that the software or hardware provided by the Offeror violated any copyright or patent rights.
9.20 Freedom of Information Law

The City of Buffalo is subject to the provisions of Article 6 Section 89 of New York State Public Officer’s Law, entitled the Freedom of Information Law. All proposals, in their entirety, submitted in response to this Request for Proposal shall constitute a record subject to public disclosure pursuant to the Freedom of Information Law. It is the sole responsibility of each Offeror to this Request for Proposal to identify those portions deemed to constitute a “trade secret” or proprietary information of the commercial enterprise. Any such information shall be clearly marked “CONFIDENTIAL”. The phrase trade secret is more extensively defined to include a formula, process, device or compilation of information used in one’s business which confers a competitive advantage over those in similar businesses who do not know it or use it. The subject of the trade secret must not be of public knowledge or of a general knowledge in the trade or business. A corresponding letter, on company letterhead, must be provided describing the factors and extent to which the disclosure of the “CONFIDENTIAL” information would cause substantial injury to the competitive position of the commercial enterprise. The entire proposal shall not be marked “CONFIDENTIAL”. Any portion of the proposal that is not clearly identified as “CONFIDENTIAL” may be disclosed pursuant to the Freedom of Information Law. THE CITY OF BUFFALO DOES NOT ASSUME ANY RESPONSIBILITY WHATSOEVER TO ANY OFFEROR IN THE DISCLOSURE OF RECORDS PURSUANT TO THE FREEDOM OF INFORMATION LAW, COURT ORDER, OR ANY OTHER METHOD OF DISCLOSURE PROVIDED FOR UNDER THE LAW.
1. METHODOLOGY OF TENDERING PROPOSALS.

(A) No person, co-partnership, or corporation, shall submit more than one proposal, either directly or by agent. Each Offeror shall sign said proposal with his/her full name, in his/her own handwriting, and, if a partnership, each partner must sign; if a corporation, the corporate name shall be signed, and signed and acknowledged by a duly authorized officer thereof.

(B) All Offerors must submit with their proposal a statement indicating that they will work toward a minority workforce goal of 25%, and woman workforce goal of 5%. In addition, a statement must be submitted indicating that the Offeror will work toward a business utilization goal for minority business enterprise of 25% and woman business enterprise of 5%.

Form EEO-2 is enclosed along with the Living Wage Statement. Both must be completed and returned with your proposal.

2. QUALIFICATIONS FOR OFFERORS.

Ordinarily, proposals are not considered from Offerors on supplies, services, material or equipment, if the Offeror or manufacturer of same is in bankruptcy, or in the hands of a receiver at the time of tendering a proposal or at the time of entering into a contract, but the Director of Purchase reserves the right to accept or reject such proposals in the best interest of the City. No proposal shall be accepted from any person or corporation that is in arrears to the City upon any debt or contract.

3. CONTRACT.

The successful Offeror(s) will be required to enter into a contract.
4. **PAYMENT.**

Payment for material, services, supplies or equipment called for herein shall be made within thirty (30) days after approved completion of contract and the rendition of proper invoice to the Division of Accounting, 65 Niagara Square, Room 1214 City Hall, Buffalo, New York 14202.

5. **COPYRIGHT AND PATENT INFRINGEMENT.**

The successful Offeror(s) warrants that there are no existing claims of violation and Offeror has no knowledge of any potential claims of violation of copyrights or patent rights in products being proposed in this bid as of the date of bid submittal. The successful Offeror(s) shall agree to indemnify and save harmless the City of Buffalo, its servants, agents and employees from any and all suits or action at law or in equity, which may hereafter be brought against them or either of them, for, or on account of, the infringement, or alleged infringement, of any patent or patent rights upon or pertaining to any of the articles described herein or supplied as a result of this RFP.

6. **GENERAL.**

(A) An Offeror will not be allowed to take advantage of any errors or omissions. The Director of Purchase reserves the right to reject any and all proposals on any or all items in the proposal and to waive any informality.

(B) Should there be any question concerning these specifications, or the intent of these specifications, the Offeror shall apply to the Director of Purchase for such information.

(C) These regulations, specifications, invitation for proposals, and the proposal are deemed to be incorporated in the contract.

(D) The Division of Purchase reserves the right to award by item, or as a whole, or to reject any or all proposals.

7. **TAXES.**

Quotations shall not include any New York Sales Tax as municipalities of New York State are not subject to this tax. No Federal Tax of any kind shall be included unless the Federal Law specifically levies such tax against purchases made by the political subdivisions of a State.
8. **TITLE.**

Offerors must transfer a good and incontrovertible title to all equipment furnished hereunder free and clear of all liens and encumbrances of whatever name and nature.

9. **ASSIGNMENT AND SUBCONTRACTING**

The successful Offeror(s) awarded a contract pursuant to this RFP shall not assign or subcontract any part of such contract to any person, firm or corporation by whom a proposal was submitted to the City for the same contract. Further, the successful Offeror(s) shall not assign, transfer or otherwise dispose of any contract awarded as a result of this RFP, or any part thereof, or any right, title or interest there under, without the prior written consent of the Commissioner of Parking, Kevin Helfer. Any such purported action without such consent shall be null and void.

10. **SUBCONTRACTOR LIST.**

The successful Offeror(s) shall submit a list of proposed subcontractors to the Commissioner of Parking for his approval and obtain his written consent thereto prior to the execution of the contract.

11. **NATIONALLY KNOWN CORPORATIONS.**

The Director of Purchase reserves the right to determine which corporations are to be designated as nationally known, and the decision will be final.

12. **DELIVERY DATE, PENALTIES AND EXTENSIONS OF TIME.**

The promised delivery date shall be considered by the City in making the award. Such delivery date shall be of the essence of the contract.

If the contractor and/or supplier fails to complete the contract work within the specified delivery date or within any extensions thereof granted in accordance with this section, the City may elect to permit the contractor and/or supplier to proceed with and complete the contract, provided, however, that in any such case such permission shall not be deemed a waiver in any respect by the City of the contractor’s and/or supplier’s liability for damages or expenses thereby incurred by the City as a result of the failure to complete delivery within the specified time, but such liability shall continue in full force against the contractor and/or supplier as if such permission had not been granted.
In order to avoid all controversy in the determination of actual damages or expenses to the City for the delay in completion of the contract by reason of the City’s election not to terminate the right of the contractor and/or supplier to proceed with the completion of the contract, the contractor and/or supplier and/or their surety shall be liable for and shall pay or allow to the City a sum equal to one percent (1%) of the total amount of the contract per day as fixed and agreed liquidated damages for each and every calendar day, Sundays and holidays included, after the date fixed for delivery during which time the contract shall remain incomplete, and any such damages and expenses may be deducted by the City from any payment or payments then due or thereafter to fall due to the contractor and/or supplier.

No extension of time for completion of this contract shall be granted unless the contractor and/or supplier shall make written application to the Commissioner of Parking no later than five (5) calendar days prior to the specified delivery date for an extension of time to complete delivery and the Commissioner of Parking shall have granted such extension in writing no later than the date upon which delivery was to have been made. The granting of any such extension and the length of time thereof shall be in the sole discretion of the Commissioner of Parking.

13. INQUIRIES

Pursuant to Article IX of New York State Finance Law §139-j, no Offeror shall engage in any impermissible contact with the governmental entity during the “restricted period” for this Request for Proposals. Contact shall include any oral, written or electronic communication with the governmental entity under circumstances where a reasonable person would infer that the communication was intended to influence the governmental entity’s conduct or decision regarding the governmental procurement. The “restricted period” shall mean the period of time commencing with the earliest written notice, advertisement or solicitation of a request for proposals, invitation for bids, or solicitation of proposals, or any other method for soliciting a response from Offeror intending to result in a procurement contract with the governmental entity and ending with the final contract award and approval by the governmental entity and, where applicable, the State Comptroller. Except as otherwise permitted under State Finance Law §139-j(3), any contact with the governmental entity, other than to discuss current business with the City of Buffalo, or during the question and answer period (via email ONLY) with the person/s identified below, may result in a Offeror’s immediate disqualification. Offeror will be required to submit a Contract Certification Statement if awarded a contract.

All inquiries during the question and answer period only should be directed via e-mail only to: Kevin Helfer, Commissioner of Parking: khelfer@city-buffalo.com by no later than May 20, 2015 4:00 pm. The subject line must identify the Request for Proposals by title.

14. SECTION 220-E, LABOR LAW.

PROVISIONS IN CONTRACTS PROHIBITING DISCRIMINATION ON ACCOUNT OF RACE, CREED, COLOR OR NATIONAL ORIGIN IN EMPLOYMENT OF CITIZENS UPON PUBLIC WORKS.
Every contract for or on behalf of the state or a municipality for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies shall contain provisions by which the contractor with the state or municipality agrees:

(a) That in the hiring of employees for the performance of work under this contract or any subcontract hereunder, no contractor, subcontractor, nor any person acting on behalf of such contractor or subcontractor, shall by reason of race, creed, color, disability, sex or national origin discriminate against any citizen of the state of New York who is qualified and available to perform the work to which the employment relates;

(b) That no contractor, subcontractor, nor any person on his/her behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this contract on account of race, creed, color, disability, sex or national origin;

15. NON-COLLUSIVE BIDDING CERTIFICATION.

If the Offeror is a corporation, the execution of the non-collusive certification in the form of proposal shall be deemed to include the signing to non-collusion as the act and deed of the corporation. An executed copy of the attached non-collusion certificate, must accompany the proposal.

No proposal shall be considered for an award nor will any award be made to an Offeror where the proposal does not include the statements as to non-collusion as set forth in the form of proposal herein, provided however, that if in any case the Offeror cannot make the foregoing certification, the Offeror shall so state and furnish with the proposal a signed statement which sets forth in detail the reasons therefore. In such event the proposal shall not be considered for award nor shall any award be made unless the Director of Purchase determines that such disclosure was not made for the purpose of restricting competition. In this connection, it should be noted that the fact that an Offeror has published price lists, rates or tariffs covering items
being procured or has informed prospective customers of the proposed or pending publication of new or revised price lists for such items, or has sold the same items to other customers at the same price as being proposed, does not constitute, without more, a disclosure to any other Offeror or to any competitor within the meaning of the non-collusive certification included in the form of proposal.

16. CONFLICTS OF INTEREST

Confidentiality and lack of potential conflicts of interest is vital to maintaining the integrity of every contract entered into with the City. APPLICATION FOR CONTRACT WITH THE CITY OF BUFFALO

The City’s Living Wage Ordinance applies to contracts for services in which the City pays – or receives – more than $50,000 per year, and the contractor employs more than ten people. If you are bidding, responding to an RFP, or otherwise planning to make a contract with the City, you must complete this form, a copy of which will be forwarded to the City’s Living Wage Commission. Your subcontractors need not file a separate Application, but they must pay a living wage. If you win the contract, you and your subcontractors will file quarterly reports with the Living Wage Commission.

You must certify that you will pay at least the hourly wages mandated by the Ordinance. As of January 1, 2015, the hourly rates are $11.45 if the employee receives health benefits from the employer, and $12.85 if the employee does not. There will be an automatic cost-of-living adjustment each January 1.

There are two exceptions to the Ordinance. Professional contracts such as legal, architectural, or engineering services are not covered by the Ordinance. Also, persons employed in construction work covered by prevailing wage laws are exempt from the Ordinance. The City department responsible for the contract should forward the completed Application for Contract of the employer chosen for the contract to: Living Wage Commission, c/o Cornell University ILR, 237 Main St., Suite 1200, Buffalo, NY, 14203
